Dev System -LAB Test Report
User operating manual

2021/08/11

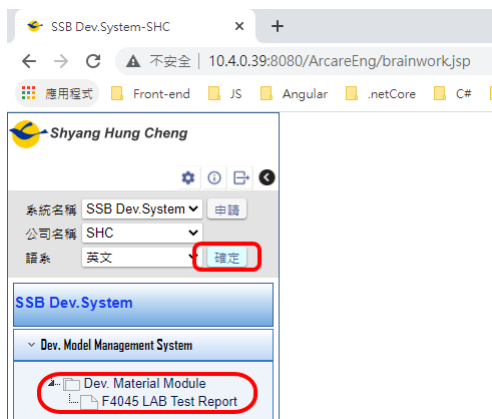

1. Maintain

1.1 Maintain a report data

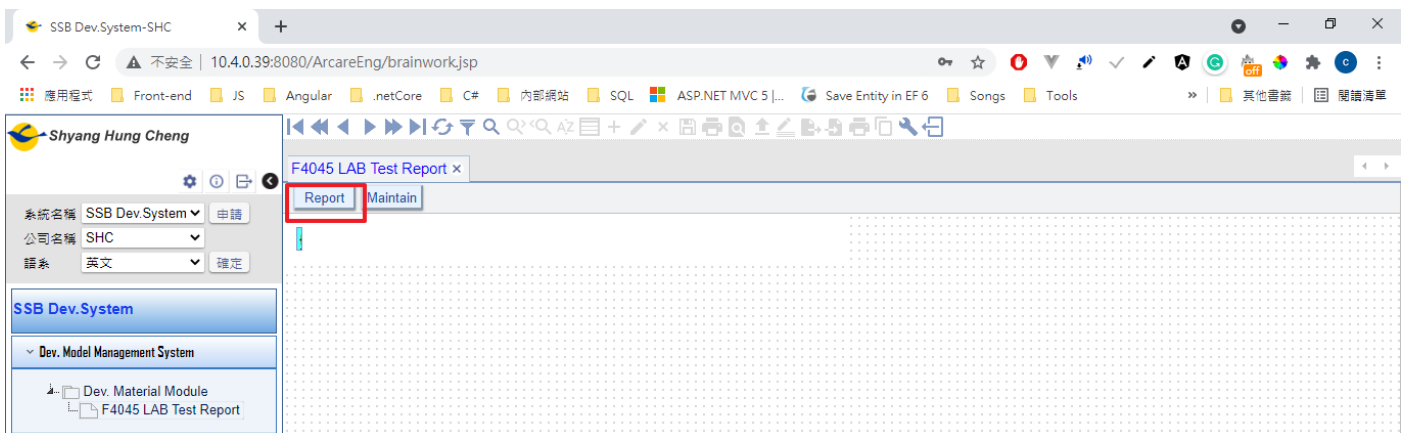

Step1: Login from DKS: <http://10.4.0.39:8080/ArcareEng/login.jsp>

Step2: click F4045 Lab Test Report

Step3: Click Report

The screenshot shows a web browser window with the address bar displaying '10.4.0.39:6970/#/DTR-FGI-Result'. The browser's toolbar includes various icons for navigation and development tools. The page title is 'LAB Test Report Maintain'. The main content area features a form with the following elements:

- Model No.**: A text input field with a red circle labeled '1' next to it.
- Article**: A text input field with a red circle labeled '2' next to it.
- Model Name**: A text input field with a red circle labeled '3' next to it.
- Search**: A blue button with the text 'Search' and a red circle labeled '4' next to it.
- Add A Report**: A blue button with the text 'Add A Report' and a red circle labeled '5' next to it.

The background of the page is a solid light gray color.

④. You have to type at least one condition(①、②、③) before clicking the search button. It would be alert if these conditions didn't exist in F205 Article in DKS.

⑤. Add a lab report data.

2

Note: You have to upload pdf file and size cannot over 2Mb.
